Mr. James Bartel
Lions HealthFirst Foundation
5040 Edna Avenue
Las Vegas, NV 89146

Dear Mr. Bartel,

As a surgeon for many years, I have come to appreciate excellence in my field of medicine. I have come to respect excellence among my doctor colleagues and among others who stand up to be counted for much-needed medical support services.

I salute my four distinguished doctor colleagues for their on-going excellence and for receipt of the highly-coveted Humanitarian Award from the Lions HealthFirst Foundation. I am honored to join them in receiving this prize.

I also salute the Lions HealthFirst Foundation for its excellence in developing the Ultrasound Screening program in our community. In the days ahead, this preventive care effort will help save the lives of many and provide peace of mind for many others.

I am so enthused about the Ultrasound Screening program that I will be serving as a medical spokesperson for the Foundation in radio, television, newspaper and magazine interviews and in television and radio public service announcements.

I appreciate the opportunity to be part of the Lions and its history of excellence, and I am honored to receive the Foundation's Humanitarian Award.

Sincerely,

A handwritten signature in blue ink, appearing to read "Annabel Barber".

Annabel E. Barber, M.D., F.A.C.S.
